▴ Pre-Tax Compulsory Member Contribution

I wish to have 100% of my compulsory contributions made on a pre-tax basis

If the Company agrees to my request, the Company will reduce my pre-tax salary by the amount of my compulsory member contribution to the Plan (grossed up to allow for the payment of contributions tax) and pay this amount to the Plan to satisfy my compulsory member contribution obligation. Until the Company agrees to my request, and the change can be implemented my compulsory member contributions will continue to be deducted from my salary on a post-tax basis.

▴ Post-Tax Compulsory Member Contribution

I wish to have 100% of my compulsory contributions made on a post-tax basis

If the Company agrees to my request the Company will cease deducting my compulsory member contributions to the Plan (grossed up to allow for the payment of contributions tax) from my pre-tax salary and commence deducting my compulsory member contributions to the Plan from my post-tax salary. Until the Company agrees to my request and the change can be implemented my compulsory member contributions (grossed up to allow for the payment of contributions tax) will continue to be deducted from my pre-tax salary.

▴ Declaration

- I understand that a copy of this form will be provided to the Company.
- I understand and acknowledge the impact of this request on my salary and compulsory member contributions as described above.
- I understand that if the Company agrees to my request above, this agreement with the Company will remain in place until it is varied by agreement with the Company or my eligibility to make pre-tax compulsory member contributions changes. I understand that contributions can then only be made on a post-tax basis.
- I understand that any agreement I make with the Company about my compulsory member contributions being made on a pre-tax basis is subject to the Company and I complying with any conditions imposed by Qantas Airways Limited or the Trustee.
- I understand that there is an annual limit on the amount of superannuation contributions that can be made by (or for) me and that it is my responsibility to monitor whether the contributions to my account exceed the relevant limits. If this occurs, I understand that I will be liable to pay additional tax on the excess contributions.
