3 Transferring your super to your new income account (select one option only)

I want to transfer:

☐ The full balance from my super account

☐ The amount of:

You must transfer a minimum of \$30,000 to open an income account. If you have super that you would like to transfer into your income account from another fund, you need to roll it into your existing Qantas Super account first.

There is a limit (Transfer Balance Cap) on the amount of money you can transfer into the Retirement Phase of super. If you exceed the Transfer Balance Cap you will be required to remove the excess and may be liable for additional tax. Visit www.ato.gov.au/super for more info.

4 Do you want to put your account on Autopilot?

You can setup your new account using our quick and easy Autopilot option. With this setup your initial investment will be invested 15% in the Cash option and 85% in the Glidepath option (in the investment stage that applies to your age group). You will receive fortnightly income payments of 6% of your opening balance (or greater if you're aged 80 or over), with these payments drawn from your investment in the Cash option.

☐ Yes, I want to setup my account with Autopilot > GO TO STEP 8

☐ No, I want to set up my account myself > GO TO STEP 5

5 How would you like to invest your money? (select one option only)

☐ I would like my current investment options for my super account to apply to my new income account.

☐ I would like to choose my own investment options as follows:

Investment option	% of current account balance to be invested
Glidepath	<input type="text"/> <input type="text"/> <input type="text"/> %
Aggressive	<input type="text"/> <input type="text"/> <input type="text"/> %
Growth	<input type="text"/> <input type="text"/> <input type="text"/> %
Balanced	<input type="text"/> <input type="text"/> <input type="text"/> %
Conservative	<input type="text"/> <input type="text"/> <input type="text"/> %
Thrifty	<input type="text"/> <input type="text"/> <input type="text"/> %
Cash	<input type="text"/> <input type="text"/> <input type="text"/> %
Total	Must add up to 100%

6 Choose the drawdown method for your regular income payments (select one option only)

☐ **Proportionate drawdown:** Income payments will be drawn proportionately from each of your investment options. For example, if you invest 70% of your balance in the Glidepath option and 30% of your balance in Cash, 70% of your income payment will be drawn from your balance in Glidepath and 30% from your balance in Cash.

☐ **Priority drawdown:** Choose the order we deduct regular income payments from each investment option. For example, if your drawdown order is 1 for Cash and 2 for Balanced, we will firstly deduct your income payments from the Cash option. Once the Cash option is depleted, we will start to deduct your income payments from the Balanced option.

Investment option	Drawdown order from 1 to 7
Glidepath	<input type="text"/>
Aggressive	<input type="text"/>
Growth	<input type="text"/>
