Consolidate multiple income policies

Consolidating multiple income policies in your Income Account in Gateway

If you hold more than one income policy in an existing Income Account in Gateway, you can apply to consolidate those policies into a single new income policy in your Income Account.

Consolidating income policies means that your existing income policies will be closed and the combined closing balance will be used to commence a new income policy in your existing Income Account.

Please note that this process may have tax implications or impact any Government income you may receive. We recommend you seek advice from a licensed financial adviser before doing this.

If you wish to add money to your Income Account in Gateway – either by personal contribution or by roll over from another super fund, please refer to the *Commencing an additional income policy* form for further details.

For more information on consolidating multiple income policies, commencing an additional income policy, or opening an Income Account in Gateway, refer to Qantas Super Gateway Product Disclosure Statement (Gateway PDS), available on our website or by contacting the Qantas Super Helpline on 1300 362 967.

About this form

To consolidate multiple income policies in your existing Income Account in Gateway, please fill out this form and let us know:

- your personal details (including the member number of your existing Income Account) (Step 1)
- which income policies you wish to consolidate to commence a new income policy (Step 2)
- how you'd like your new consolidated income policy invested. You can choose more than one investment option. (Step 3a)
- which of these investment options should fund your income payments (Step 3b)
- the frequency and amount of your regular income payments (Step 4)
- your bank account details. This is where we will deposit your income payments (Step 5)
- if you are less than 60 years of age, you will need you to complete a Tax File Number declaration (Step 7).

Once you've completed the form, please sign it (Step 9) and return it to Qantas Super, GPO Box 4303, Melbourne, VIC 3001.

Step 3a – Make your investment choice for your new consolidated income policy

You can choose one investment option or any combination of the six available investment options to apply to your new consolidated income policy in your Income Account in Gateway.

If you don't make a selection, this form will not be processed, resulting in your application being delayed.

If you're unsure which investment options best suits your needs, we recommend you speak to a licensed financial adviser. Refer to the *Investment Guide* for Qantas Super, available on our website, for details about the investment options available.

I wish to have my new consolidated income policy allocated in the following investment options:

Investment option	Current account balance		
	% to be invested		
Glidepath	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Aggressive	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Growth	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Balanced	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Conservative	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Cash	<input type="text"/>	<input type="text"/>	<input type="text"/> %
TOTAL*	1	0	0 %

* Please ensure the total adds to 100% otherwise this form will not be processed and your application will be delayed.

Step 3b – Make your investment choice for the drawdown of your regular income payments

You have two options when deciding which investment options should fund your regular income payments for your new consolidated income policy:

Option 1: Proportionate drawdown (default)

Income payments will be drawn proportionately from each of your investment options.

Option 2: Priority drawdown (specified below)

You can choose the order in which we deduct regular income payments from each investment option. We will draw down from your first nominated investment option until it is depleted, and then continue drawing your income from your second nominated investment option, and so on.

For example, if you nominate your drawdown order as 1 for Balanced and 2 for Cash, we will firstly deduct your regular income payments from the Balanced investment option. Once the Balanced investment option is depleted, we will start to deduct regular income payments from the Cash investment option.

You can choose from either option 1 or option 2, but not both.

If you do not advise us of your drawdown preference, option 1 will apply.

Investment option	Drawdown order of priority
	number 1 to 6 as required
Glidepath	<input type="text"/>
Aggressive	<input type="text"/>
Growth	<input type="text"/>
Balanced	<input type="text"/>
Conservative	<input type="text"/>
Cash	<input type="text"/>
