PROVIDING YOUR TAX FILE NUMBER (TFN)

Superannuation legislation authorises the Trustee of Qantas Super to collect your Tax File Number (TFN), which will only be used for legal purposes. These purposes may change in the future as a result of legislative change. The Trustee may disclose your TFN to another super provider when your benefit is being transferred unless you request (in writing) that your TFN is not to be disclosed to any other trustee.

There may be tax implications if you have not yet provided, or choose not to provide, your TFN. Whilst it is not compulsory to provide your TFN, not doing so could cost you in the following ways:

- you may have paid more tax than necessary on super contributions made for you by your employer (including SG, salary sacrifice and other contributions) in this financial year. This additional tax can be reversed if you provide your TFN to Qantas Super before the end of the financial year, or before your payment from Qantas Super (if earlier). Although you may be able to claim back this additional tax if you later provide your TFN, time limits and other rules may apply, which may affect the size of any refund.

- you may pay additional tax on your super payout. However it might be possible to claim this back when lodging your tax return.
- you may miss out on any government Super Co-contributions for which you may be eligible.
- you may have difficulty locating your super in the future, should you lose contact with your fund(s).

If you ask us to use your TFN as proof of identity, we will validate your TFN with the Australian Tax Office. If your TFN is not valid, you will need to provide proof of identity and your super payout will be delayed.

If you are uncertain as to whether or not you have provided your TFN, you can check these details on our website www.qantassuper.com.au or contact the Qantas Super Helpline on **1300 362 967**.

Step 3a – Provide payment instructions (continued)

Option 5: Early release of your super benefit due to severe financial hardship

Severe financial hardship is defined by legislation and means that you are “unable to meet reasonable and immediate family living expenses”. To apply to Qantas Super to have part of your super benefit released on the grounds of severe financial hardship, you need to complete the *Early release of super benefits on grounds of severe financial hardship* form available by contacting the Qantas Super Helpline on 1300 362 967. For more information, refer to our *Severe financial hardship* fact sheet available on our website.

Option 6: Departing Australia Superannuation Payment (DASP)

(this option is not available to citizens of Australia and New Zealand or Australian Permanent Residents)

If you entered Australia on an eligible temporary resident visa and you have permanently left Australia, and your super benefit in Qantas Super has not yet been transferred to the ATO, you may be eligible to apply to have Qantas Super release your super benefit under the DASP regime. Information regarding DASP procedures, including the application form and current taxation rates can be found at www.ato.gov.au. For details on when your super benefit may be transferred to the ATO, refer to the relevant member disclosure for your division, available on our website, or contact the Qantas Super Helpline on 1300 362 967.

Step 3b – Select investment options for a partial withdrawal

For defined benefit members in Divisions 1, 2, and 3 who have reached their superannuation date or retirement date (as applicable)¹, and for accumulation members in Divisions 3A, 5, 6, 7, 10 and Gateway, you have two options for deciding from which investment options your partial withdrawal is to be deducted. For defined benefit members who have not yet reached their superannuation date or retirement date (as applicable)¹, refer to end of Step 3b.

Option 1: Proportionate withdrawal (default) – Your withdrawal will be deducted from your investment options in the same proportion as your account balance.

Option 2: Nominated withdrawal (specified below) – You can nominate from which of your investment options you want your withdrawal to be deducted.

You can choose either Option 1 or Option 2, but not both.

If you do not advise us of your preference, Option 1 will apply.

* If you specify a \$ amount to be withdrawn, the total must equal the amount of your partial withdrawal. If you specify a % to be withdrawn, the total must equal 100%. If the total is incorrect, this form will not be processed, resulting in your withdrawal request being delayed.

Defined benefit divisions

For defined benefit members who have not yet reached their superannuation date or retirement date (as applicable)¹, an offset account will be maintained for you for the amount you withdraw.

For Divisions 1, 2, and 3 – The offset account will be credited or debited with the earnings applicable to your investment options, or the Growth option, if you have not previously nominated any investment options.

For Division 15 – The offset account will be credited or debited with the Credited Interest Rate for Qantas Super’s defined benefit investments.

The value of the offset account will be deducted from your benefit. Generally this will occur when you leave your defined benefit Division but may be earlier.

¹ Generally, your superannuation date or retirement date is the date at which you are entitled to a Qantas Super retirement benefit. This date depends upon the division and category you’re in. For Division 2 Ex TN members, this is age 65 regardless of the superannuation date.

Step 4 – Complete preservation declaration

A portion of your benefit may be subject to preservation. If the preserved portion of your benefit is over \$200, legislation requires that this amount be retained in an approved rollover fund and cannot be taken in cash until:

- You have reached your preservation age* and have permanently retired* from the workforce.
- OR
- You are at least 60 years of age and have ceased employment since attaining age 60.

If you are requesting a **cash withdrawal**, please select one of the following:

- Yes, I have reached preservation age and have permanently retired from the workforce.
- Yes, I am at least 60 years of age and I have ceased employment since attaining age 60.

*Please refer to the 'How to apply for a withdrawal' section at the front of this form for details about your preservation age and the definition of permanently retired.

Step 5 – Confirm if splitting contributions

Should you wish to split your super contributions with your spouse for the current or previous financial years, you will also need to complete and return a *Contribution splitting* form. Note that contribution splits cannot be processed after your withdrawal request (including any transfers made to commence an Income Account in Gateway) has been made so it is important that any split request is lodged along with (or prior to) these payment instructions.

A copy of the *Contribution splitting* form can be obtained by calling the Qantas Super Helpline on 1300 362 967 or you can refer to our website www.qantassuper.com.au.

Tick here if you intend to lodge a split request either prior to or with this form.

Step 6 – How do you want to prove your identity?

You will need to provide proof of your identity when you take a cash payment or rollover/transfer to another super fund. You should read the information attached to this form called 'How to apply for a withdrawal' to check what proof of ID is required.

Choose one of the two options below:

Use my Tax File Number (TFN)

This option is only available if you want to rollover/transfer your super to a complying super fund, including SMSF (if you wish to take a cash payment you will need to provide certified proof of identity).

Qantas Super might already hold your TFN. If you're not sure if you have previously provided it, you can choose to do so now. You do not have to provide your TFN, but if you do, this will ensure that any benefit you take from Qantas Super does not incur additional tax. *Please refer to the 'How to apply for a withdrawal' section at the front of this form for additional information about providing your TFN.*

Enter your TFN here

- -

By providing your TFN, you are authorising us to give this information to your other super fund.

Please note: We will validate your TFN and personal details with the Australian Tax Office. If we cannot confirm an exact match with the ATO's records, you will be required to provide full Proof of Identity (see below) and your payout will be delayed.

- I have attached certified proof of identity documents.** For full details on completing proof of identity, refer to the 'Completing proof of identity' section at the back of this form.

Step 7 – Complete the checklist

To enable your payment to be processed promptly, please ensure you have correctly completed this form before returning it to the fund.

Have you:

- Provided your member details in **Step 1**?
- Attached supporting documentation for any change of name, date of birth or address detailed in **Step 2**?
- Provided complete payment instructions in **Step 3**?
- Signed and dated the form (**Step 9**)?
- If you are required (or choose) to provide proof of identity, select the identification you have provided:
 - Current driver's licence OR current passport; or
 - One document from list one and one document from list two
- If transferring to an SMSF you have provided:
 - A copy of the SMSF bank account statement
 - The Electronic Service Address (ESA)
- Is your identification current? If providing an Australian Passport, one that has expired within the last two years is acceptable.
- Do your documents need to be certified? If so, ensure the certifier has included ALL of the following on each page:
 - Written or stamped 'certified true copy'
 - Signature and printed name
 - Date – the date MUST be within 12 months of the date we receive your completed form
 - Qualification (such as Justice of the Peace, Australia Post employee, etc).

Please refer to the 'Completing proof of identity' section at the back of this form.

Step 8 – Privacy

The Trustee respects the privacy of your personal information and is committed to complying with the Australian Privacy Principles in the Privacy Act 1988 (Cth).

Our Privacy Policy sets out our approach to the management of personal information. Subject to the Privacy Act 1998 (Cth), you can have access to and seek correction of your personal information. Our Privacy Policy contains information about how you can access and seek correction of your personal information, how you may complain about a breach of your privacy and other important information about how your personal information is collected, used and disclosed.

Our Privacy Policy is available on Qantas Super's website, www.qantassuper.com.au or you can obtain a copy by contacting us on **1300 362 967**.

Step 9 – Sign the form

By signing this form I declare that:

- I have read and understood the information on this form;
- I have read and understand the implications of not providing my TFN. If I have not provided my TFN, additional tax may be deducted from my super benefit;
- I understand that information contained in this form will be relied upon and used by the Trustee to process payment of my benefit. It may be disclosed to the Trustee's administrator, government agencies, my employer and other parties as required, including the trustee of any other fund I may transfer to. By signing this form I consent to the handling of my personal information in this manner. If I do not provide the information my payment request may not be processed;
- I understand that I can access my personal information by writing to the Qantas Super Plan Privacy Officer, at the address below;
- I am aware that I have the right to request any further information that I need to understand my benefit entitlements in Qantas Super, including any fees and charges that may apply and the effect of the payment/transfer on my benefit entitlements;
- The information I have provided on this form is true and correct;
- I understand that if I am transferring all or a part of my super benefit to another fund while still employed by the Qantas Group, that:
 - if I am a member of Division 1, 2, 3, 3A, 5, 6, 7, 10, or 15, only one transfer request from my account can be effected every 12 months;
 - future contributions made by my employer on my behalf will continue to be paid into Qantas Super, unless I have agreed otherwise with my employer;
 - the value of my Qantas Super benefit will decrease by the amount transferred, including any minimum guaranteed benefits I may have;
 - the Trustee may not be able to action my transfer where the Trustee has been notified of family law proceedings in relation to my super;
 - my nominated transfer amount will be reduced, if necessary, to ensure that I maintain a minimum benefit of \$6,000 in Qantas Super (applies to partial withdrawals subject to portability only); and
 - I am discharging the Trustee from any liability with respect to the amount of my super that is transferred.
