Weekly credited interest rates - superannuation												Please note: The DB non-MIC rates are the returns for Qantas Super's defined benefit assets. For some members in a defined benefit division, investment choice is not available on some or all of their accumulation accounts, and the earnings applied to those accumulation accounts are calculated based on the returns for our defined benefit assets. You can check which of your accounts receive investment earnings based on these returns on your Annual Statement.

Weekly credited interest rates - superannuation												Please note: The DB non-MIC rates are the returns for Qantas Super's defined benefit assets. For some members in a defined benefit division, investment choice is not available on some or all of their accumulation accounts, and the earnings applied to those accumulation accounts are calculated based on the returns for our defined benefit assets. You can check which of your accounts receive investment earnings based on these returns on your Annual Statement.

Weekly credited interest rates - superannuation											Please note: The DB non-MIC rates are the returns for Qantas Super's defined benefit assets. For some members in a defined benefit division, investment choice is not available on some or all of their accumulation accounts, and the earnings applied to those accumulation accounts are calculated based on the returns for our defined benefit assets. You can check which of your accounts receive investment earnings based on these returns on your Annual Statement.
