Note 1: Statement of significant accounting policies

Qantas Superannuation Limited (the Trustee) is a company domiciled in Australia.

The registered address is 10 Bourke Road, Mascot, NSW, 2020, Australia.

The financial statements were authorised for issue by the Trustee directors on 19 September 2019.

The significant policies which have been adopted in the preparation of these financial statements are:

(a) Statement of compliance

In the Trustee directors' opinion, the Trustee is not a reporting entity because there are no users dependent on the general purpose financial statements. The Trustee is directly owned by Qantas Airways Limited.

These are special purpose financial statements that have been prepared for the sole purpose of complying with the Corporations Act 2001 requirements to prepare and distribute a financial statement to the members and must not be used for any other purpose. The Trustee directors have determined that the accounting policies adopted are appropriate to meet the needs for the members.

The financial statements have been prepared in accordance with the Corporations Act 2001, and prepared on the basis of accounting requirements specified by all applicable Accounting Standards and Interpretations and complies with the disclosure requirements of:

AASB 101 – Presentation of Financial Statements

AASB 107 – Statement of Cash Flows

AASB 108 – Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1054 – Australian Additional Disclosures

(b) Basis of preparation

The financial statements are presented in Australian dollars and on the historical cost basis.

The accounting policies set out below have been applied consistently to all periods presented in the Trustee's financial statements and have been applied consistently by the Trustee.

(c) Critical accounting estimates and judgements

The preparation of financial statements conforms with Australian Accounting Standards Board (AASB) and requires Management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

QANTAS SUPERANNUATION LIMITED

Notes to the financial statements (continued)

For the year ended 30 June 2019

Note 1: Statement of significant accounting policies (continued)

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(d) Profit before related income tax expense

For the year ended 30 June 2019, the Trustee was registered for Goods and Services Tax (GST) and incurred expenses in performing the supply of trustee services to the Plan. These expenses were incurred by the Trustee and paid by the Plan on its behalf. The payment of expenses by the Plan on the Trustee's behalf represents revenue earned by the Trustee for the trustee services provided to the Plan.

(e) Employee entitlements

There are at year end, certain employees of Qantas Airways Limited who are working on behalf of the Plan whose employment obligations are discharged by the Trustee and funded by the Plan pursuant to the right of indemnity out of the Plan's assets for operational expenses and liabilities incurred on behalf of the Plan. As a consequence of the Plan incurring the associated employee expenses, no amounts have been recognised in the Trustee's financial statements.

(f) New and amended standards adopted during the year

The following new standard has been adopted in the financial statements. Its adoption has not had significant financial or disclosure impact on these financial statements.

AASB 15 Revenue from Contracts with Customers, applied to reporting periods beginning after 1 January 2018. The Trustee receives revenue from the Plan for reimbursement of expenses. The revenue is recognised as it accrues based on the agreement with the Plan and therefore there was no impact resulting from the adoption of this new standard.

(g) New standards and interpretations not yet adopted

Certain new and revised accounting standards and interpretations have been published that are not mandatory for the 30 June 2019 reporting period and have not been early adopted by the Trustee. The Trustee director's assessment of the impact of these new standards (to the extent relevant to the Trustee) is set out below:

AASB 16 Leases

AASB 16 removes the lease classification test for lessees and requires all leases (including operating leases) to be brought onto the balance sheet.

AASB 16 is effective for annual reporting periods beginning on or after 1 January 2019. The Trustee does not expect any impact on its financial statements resulting from the application of AASB 16.

The AFP was reviewed as part of the triennial actuarial review of the Plan which was approved on 9 December 2016. For the year ended 30 June 2019, Qantas Airways Limited has contributed \$nil of additional funding which was recognised as employer contribution revenue in the Plan's financial statements (for the year ending 30 June 2018: \$nil).

The Plan's financial position is monitored by the Trustee each quarter and the Plan Actuary determines the amounts of additional contributions to be made each quarter, as required under the funding plan. Confirmation of the revised funding plan was provided to the Australian Prudential Regulation Authority.

In the opinion of the Trustee directors of the Trustee, as at the date of these financial statements, there are reasonable grounds to believe that the Plan will be able to pay its debts as and when they fall due.
