Notes to the financial statements For the year ended 30 June 2023

Note 1: General information

Qantas Superannuation Limited is a company domiciled in Australia. The registered address is 10 Bourke Road, Mascot, NSW, 2020, Australia. The financial statements were authorised for issue by the Trustee directors on 21 September 2023.

Note 2: Statement of significant accounting policies

(a) Statement of compliance

The financial statements are general purpose financial statements that comply with the recognition and measurement requirements of Australian Accounting Standards, the presentation requirements of those Standards as modified by AASB 1060 *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* (AASB 1060) and the disclosure requirements in AASB 1060. Accordingly, the financial statements comply with Australian Accounting Standards – Simplified Disclosures.

Unless covered in other notes to the financial statements, the principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(b) Basis of preparation

These general purpose financial statements have been prepared in accordance with the Corporations Act 2001, Australian Accounting Standards and other authoritative pronouncements issued by the Australian Accounting Standards Board (AASB), and comply with other requirements of the law.

The statement of financial position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. Balances are expected to be recovered or settled within twelve months. All transactions, assets and liabilities are in Australian dollars.

The financial statements are prepared based on fair value measurement of assets and liabilities except where otherwise stated.

(c) New and amended standards adopted during the year

There are no new or amended accounting standards that applied during the financial year.

QANTAS SUPERANNUATION LIMITED

Notes to the financial statements (continued) For the year ended 30 June 2023

Note 2: Statement of significant accounting policies (continued)

(d) New Standards and Interpretations not yet Adopted

Certain new accounting standards, amendments to standards and interpretations have been published that are not mandatory for 30 June 2023 reporting periods and have not been early adopted by the Trustee. None of these are expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

(e) Critical accounting estimates and judgements

The preparation of financial statements conforms with Australian Accounting Standards and requires Management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash balances, short term bills and call deposits. Cash and cash equivalents are carried at face value of the amounts deposited or drawn.

(g) Receivables

Receivables are stated at cost less impairment losses which approximates fair value.

(h) Payables

Payables include liabilities and accrued expenses owing by the entity which are unpaid as at the end of the reporting period and are measured at fair value. These amounts are unsecured and are usually paid within 30 days of recognition.

(i) Revenue Recognition

Revenue for Trustee services is recognised as it accrues based on the agreement with the Plan. Revenue from the investment of entity assets, such as interest, is recognised on an accruals basis when the entity has a right to receive that income.

(j) Expense Recognition

Expenses are recognised as they are incurred.

QANTAS SUPERANNUATION LIMITED

Notes to the financial statements (continued) For the year ended 30 June 2023

(k) Income tax

Income tax expense comprises current and deferred tax. Income tax is recognised in profit and loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable on the estimated taxable income for the current year based on the applicable tax rate adjusted for instalment payments made to the Australian Taxation Office (ATO) during the year and adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities in the financial statements and the amounts used for taxation purposes. Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise temporary differences and losses.

(l) Profit before related income tax expense

For the year ended 30 June 2023, the Trustee was registered for Goods and Services Tax (GST) and incurred expenses in performing the supply of trustee services to the Plan. These expenses were incurred by the Trustee and paid by the Plan on its behalf. The payment of expenses by the Plan on the Trustee's behalf represents revenue earned by the Trustee for the trustee services provided to the Plan.

For completeness, the \$145,722 in Trustee expenses for the 30 June 2023 reporting period also include \$724 in ASIC charges paid by the Plan Sponsor.

Note 8: Trustee

The Trustee acts solely as Trustee for the Plan. Below is an extract from the Statement of Financial Position as appearing in the most recent audited accounts of the Plan.

	As at 30 June 2023 \$'000	As at 30 June 2022 \$'000

Total Members benefits	8,087,268	7,778,097
Total reserves	304,422	325,392

The funding policy adopted in respect of the Plan is directed at ensuring that benefits accruing to Members and beneficiaries are fully funded as the benefits fall due. As such, in advising the Trustee on employer contribution rates for DB divisions, the Plan Actuary considers the long-term trends in such factors as Plan membership, salary growth and the market value of Plan assets.

During the year the Trustee adopted a new DB Funding Strategy document which consolidated the Trustee's Journey Management Plan (JMP) and the Trustee's Additional Funding Plan (AFP). As per the DB Funding Strategy document, the DB investment portfolio is progressively de-risked as the DB's funding position improves over time. The DB Funding Strategy document also sets out the manner in which the Trustee and the Plan Sponsor will respond in the event of the Plan moving into an "Unsatisfactory Financial Position" which is defined as the Plan's DB vested benefits exceeding the net assets related to those liabilities. The Plan's financial position is monitored by the Trustee each quarter and the Plan Actuary determines the amounts of any additional contributions to be made each quarter in line with the requirements of the DB Funding Strategy.

Qantas Airways Limited has made defined benefit contributions for the year ending 30 June 2023 in accordance with the recommendations of the Plan Actuary. No additional amounts were paid under the DB Funding Strategy for the year ended 30 June 2023. As at 30 June 2023 the Plan had a surplus of net assets over vested benefits.
